

## Re-Consent for Transfer of Donated Embryos, EDI Assisted Reproductive Technologies

Embryo Donation International (EDI) is a subsidiary of Specialists in Reproductive Medicine and Surgery, P.A. (SRMS) and will be referenced throughout this document.

We \_\_\_\_\_ and \_\_\_\_\_ agree to have Specialists in Reproductive Medicine & Surgery, P.A. (SRMS) or Embryo Donation International (EDI) transfer some or all of our chosen cryopreserved donated embryos.

We have chosen the following donated embryos to transfer:

We understand that not all of the embryos will necessarily survive the freeze/thaw process. While SRMS-EDI certainly values our desires, we leave it to the sole discretion of SRMS-EDI and the Assisted Reproductive Technologies Team to determine how many of the embryos will be thawed for transfer on this cycle.

We understand that a new consent will be requested for each individual frozen embryo transfer cycle performed.
