Dear Medical Care Provider:

In honor of your patient's decision when they donate their embryos, we have decided to also *pay it forward*.

The embryo donor will be able to select from a list of ten charities one that we will donate to according to the following guidelines:

- 1 embryo donated: \$30 given to charity**
- 2 embryos donated: \$60 given charity**
- 3 or more embryos donated: \$100 given to charity**

When their embryos arrive here at EDI, we will send our contribution. A letter of confirmation will eventually be forwarded to your patient.

Below is a list of the chosen charities.

Please help us pay it forward!

International Charities

National Charities

Regional Charities
