Dear Medical Care Provider:

In honor of your patient’s decision when they donate their embryos, we have decided to also pay it forward.

The embryo donor will be able to select from a list of ten charities one that we will donate to according to the following guidelines:

1 embryo donated: $30 given to charity
2 embryos donated: $60 given charity
3 or more embryos donated: $100 given to charity

When their embryos arrive here at EDI, we will send our contribution. A letter of confirmation will eventually be forwarded to your patient.

Below is a list of the chosen charities.

Please help us pay it forward!
